

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

January 6, 2009

AMENDMENT TO SET ITEM #2:

The item before this Board today concerns the creation of a multi-jurisdictional committee to develop a comprehensive gang strategy to be piloted in Florence/Firestone and Pacoima areas. The County would also benefit from a site which involves multiple jurisdictions and partnerships to truly test our ability to work effectively across different jurisdictions. The Monrovia-Duarte area is a prime example which involves the Independent City of Monrovia, Contract City of Duarte as well as the surrounding unincorporated areas. This area has experienced complex and cyclical gang violence over a period of years.

I, THEREFORE, MOVE that the Board of Supervisors include the Monrovia-Duarte area as one of the pilot sites.
